**EMAIL [MONTGOMERYOHIO05@SBCGLOBAL.NET](mailto:MONTGOMERYOHIO05@SBCGLOBAL.NET)**

**6/26/1997 - 4/3/2006**

Last year In the pouring rain, over \$5,000 was raised at the Inaugural Kick-It for Kids event. This year we hope to raise even more money to help cure childhood cancer. Each year over 12,000 children in this country are diagnosed with cancer. Brian's only wish was for a "cancer-free world". What better way to celebrate Brian's legacy and what would have been his 13th birthday, then to play kickball and help to raise lots of money to fund the research that is so desperately needed for childhood cancers. Join us on Sunday, June 27th, rain OR shine, for a fun-filled day. There will be food and drinks for everyone. So get your team together and prepare to play kick-ball to help "Kick Cancer's Butt!" as Brian would say. If you are unable to join us, consider hosting your own Kick-It for Kids in your neighborhood! If you are not a kick-ball player, that is OK, feel free to make a donation either on-line or at our

event.

Signing up online is easy!! If you choose to register the day of the event, there will be a \$10 donation required per player. Thanks for helping us Kick\*It!

(Smaller teams may be combined the day of the event.)

(Bath Community Activity Center is located at 1615 N. Cleveland-Massillon Rd., Akron, OH 44333)
