LET'S PLAY KICKBALL! Join the Akron Chapter of Flashes of Hope in raising money for Flashes of Hope and Pediatric Cancer Research. This event is being held in memory of Brian Andrew Montgomery who lost his battle to brain cancer when he was only 8 years old. We need your help to reach our goal of raising \$3500 at our Kick-It event so that we can continue the mission of Flashes of Hope and raise funds for pediatric cancer research. Come and join us for some FUN! We hope to see you there. Even if you can't play or attend, please consider making a donation so we can one day strike out childhood cancer. To start your own team simply sign up and create a login. Then build your team by inviting others to the site. To get to the game. Take 77 to Ghent Road Exit. Head NORTH on Ghent. Ghent Rd. turns into Cleveland-Massillon Road. Stay on Cleve-Mass RD until you come to Everett Rd.

Turn LEFT onto Everett. There will be a yellow Park Ahead sign on the right side of the road. The Baseball Park is after that sign on the LEFT. Fields #2 and #3 are immediately to your left.
