In Honor Of Texas Children's Hospital Chapter and Cancer Research

Kick it!! Please join us on June 7th at Roberts Elementary School to raise funds and awareness for the Texas Children's Hospital Chapter of Flashes of Hope and pediatric cancer research. The tournament will consist of 4 "highly competitive" teams playing in a single elimination style tournament. Games are 45 minutes and kick off is 9am. The silent auction is a bit of a twist, but we have some really great items lined up including golf packages, art, dinners, yoga, and many more things that are all fantastic, fun and at a great price point! So bring the family and cheer on your favorite team while we all are Kickin-It for Flashes of Hope!
